

CADET CORPS #2
IN CENTENARY YEARS 1927

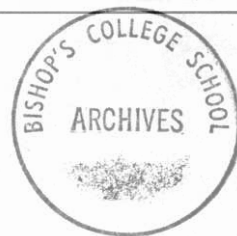

AS IT WAS . . .

CADET CORPS #2: INSPECTION: MAY 1984.

AS IT IS NOW . . .

AND EVER SHALL BE . . .

One tradition that continues at BCS is Cadets. The front cover shows the Corps in the Centenary year, 1937. Subsequent research by Graham Patriquin for his book "Little Forks to Moulton Hill" gave the information that the school was actually founded in 1836. 1986 marks our sesquicentennial year. It will be a time for celebrating our heritage and looking forward with optimism to our future.

If you have ideas as to how you would like to see BCS mark the 150th Birthday, please send them to the Development office at the school to the attention of John Cowans or Ursula Evans. For the next two years all Foundation and Alumni activities are amalgamating to be handled by both of us jointly. A Development committee to oversee these activities has been formed under the chairmanship of Mike McMaster. Diana Bryant Colby, Mary Molson Iversen, Athol Gordon, David McLernon and Daniel Lalonde have agreed to serve on this committee.

Our deepest appreciation goes to them.

CLOSING CEREMONIES

Closing ceremonies are always momentous. This year was no exception. Robert Guy Carington Smith BCS '25, Consul General of Canada came to award prizes and trophies. He has had a long and faithful career both in the Government and during the war in the Royal Canadian Artillery. We were honoured to have him with us that day.

WHERE'S THE BEEF!

On the evening before, a particularly novel, unusual event took place. Prompted by the gift of a steer from the Koegler family, given to assist us to raise funds for a Universal Gym, a Steer Roast Dinner was held at the school. This was also the occasion of the Alumni presentations of Old Boy ties and Grad Pins to the departing students. Vice-President of the Alumni Association Daniel Lalonde was here to make these presentations.

Stuart Deacon, Head of Maintenance at the school and his men began roasting the steer in the small hours of the previous night. They also set the stage for an out-west cookout by constructing rail fences and a rustic fire shelter over

the steer, turning on the spit. Bales of hay added to the western atmosphere. Mark Henchley, the Food Manager worked hard to assure that the steer was part of a delicious dinner, easily served and enjoyed by all the guests.

To all these people together with those who bought tickets to come to the Steer Roast go our thanks. We are \$2,500 closer to a Universal Gym as a result.

Danny Lalonde gives alumni presentations before the steer roast on June '5'.

SPECIAL NOTE TO YOUNG ALUMNI

Everyone is looking forward to your visit at Thanksgiving to the School. The teams are readying for the games and Choir members are most welcome in the choir at the Thanksgiving Service on Sunday. IF YOU WISH ACCOMMODATION IN THE HOUSES YOU ARE URGED TO CONTACT THE HOUSEMASTERS/MISTRESSES CONCERNED IN ADVANCE. If this is not done you should expect to make other arrangements. We will see you on October 6 and 7!

THE GREAT BCS GIVEAWAY REPORT

Fewer than a hundred and fifty alumni and parents responded to this project. This was surprising as many of you have indicated a desire to give to specific areas of school life. However those who did support The Giveaway, did so more generously than ever before. As a result, where the lottery of last year evoked nearly six hundred participants and raised for scholarships \$10,600.00 for the school, The Giveaway has raised \$10,117.00. This has begun to fund the various items requested by the staff. The additional \$2,500.00 raised through the Steer Roast for the Universal Gym means that our gift will total \$12,617.00. **The Giveaway still is open and some items need additional funding. Your support is still solicited and would be received with grateful thanks and an Income Tax receipt.**

Our appreciation goes to the following who have so kindly supported the school through this project. They are:

IN AND AROUND BCS

BRITISH EXCHANGE:

1983-84 saw the arrival of four British Exchange students at BCS. Alice Butler was here for the entire academic year. Robert Wainwright, Henry Witcomb and David Bennet all were at school for a term. They added tremendously to school life and now three BCS students look forward to exchanges in Britain next year. Julie Cruickshank, Joni Scheib and Cathy Lyons all plan to spend next year at schools in The British Isles.

SPRING BREAK TRIP:

Faculty members Charles and Betsey Coleman led a two week trip to England for BCS students. Their visit included Bath, Glastonbury, the New Forest, Oxford, Winchester as well as the many sights of London.

INDEPENDENT SCHOOLS MUSIC FESTIVAL:

The choir and bands, under the direction of Robert Tamblyn visited Toronto to participate in the Independent Schools Music Festival in April. Close to one thousand students performed together at Massey Hall in massed choirs and bands.

SUMMER PROJECTS: ONDAATJE CHALLENGE

Two projects were organised as a result of a grant from Toronto business man, Christopher Ondaatje. The grant was designed to encourage students to challenge themselves physically or in terms of social outreach.

Sixth Form students Louise Heenan and Mary Hallward left on June 19 for Gdansk, Poland where they met containers of clothing which they had collected during the spring in Montreal and Lennoxville. They used the church in Poland for distribution to ensure that the goods reached those really in need, especially in rural areas. They themselves travelled extensively to help the clothing reach its destination. We look forward to hearing of their experiences at summer's end.

Also, last spring, several students, in all kinds of weather, mostly wet and cold, cycled the Eastern Township roads up to fifty miles a day as a Crease. They did this to support the training of John Edwin Martin and Caitlin Adamson who have taken up the Ondaatje challenge in a physical test. This summer they cycled from Calgary to Jasper in a two week period.

We are grateful to Chris Ondaatje for creating this challenge and proud of the students who have responded in their several ways.

ROUND SQUARE CHALLENGE IN SCHEFFERVILLE

Robert Common, Chapman Housemaster is, at the time of writing, leading a summer work project in Schefferville. With him are seven students, three are from BCS and the balance are from American Schools who are members of the Okanela Conference of the Round Square.

The Okanela Conference is a group of North American schools dedicated to the educational ideas of Kurt Hahn and modelled on Round Square International. The aims are to foster the development of the whole man or woman in a wide range of human activities. To allow the young to explore and enhance their particular gifts as individuals while at the same time they learn to sacrifice a measure of freedom and self-interest on behalf of the community. (The good life is dependent on the good state). To ensure that the structure of the school community depends to a large extent upon the pupils themselves so that it would in a visible way break down if there were any general failure of pupils in fulfilling their various graded responsibilities and to train boys and girls for service through the experience of sharing their lives with others of dissimilar backgrounds.

Robert and the students with him are leading a recreation program for Naskapi children between the ages of five and fourteen whose summer occupations would otherwise be derelict.

The program runs for six days a week for the month of July. Their activities include arts and crafts, games, outdoor adventures and construction, camping and sports.

Other news at school is the appointment of Michael Fox, Head of the Geography Department, to Academic Dean. He will be responsible for the day to day academic surveillance of the student body.

Mr. Don Watson, who has been Bursar at BCS since 1972 is taking well-deserved retirement. Mr. Laurie Sakamoto has been appointed to take over these duties.

Last year Williams became a Girls' House. This year Grier House North is to become a Senior House for boys. Grier South will be our only Junior House. Assisting David Dutton, Housemaster of Grier South will be Seventh Form volunteers who will live and work in the House with leadership responsibilities.

Finally there has been one wedding of note on campus. Eric Detchon was married to Judith Major last autumn. Both are continuing to teach at the school. They live on campus with their four children, one dog, several cats, birds, fish, mice etc. etc.

Two babies have arrived this year to school families. To Mark and Louise St. Jacques, a daughter, Catherine. To Mark and Carolyn Gallagher, a son, William.

REUNIONS:

NEW YORK, NEW YORK,

Again this year, twelve Seventh Form "Issues" class students made the trip to New York and the U.N. We were the guests of Ralph and Jean (Dodds) Kazi in Scarsdale. The Kazis not only accommodated fourteen BCS travellers but also were hosts to alumni for a wonderful gathering on Tuesday May 1st.

Several KHC Old Girls pitched in to help Jean give a splendid dinner party for over forty guests. Valerie Meyer Heidell, Ann Cameron Mitchell, Joan

Williams Ballantyne, all provided invaluable assistance as did Tim Ballantyne and Jean's brother Stanley Dodds. Students, Helen MacKinnon, Alice Butler, David Bennett, Julie Cruickshank, Baldwin Evans, Peter Sanchez, Scott Hyndman, Nancy Rees, Yvonne Westphal, Frank Fourage and Henry Witcomb also deserve appreciation for their part in serving, clean-up and "mixing" with alumni. All of these students are now alumni themselves.

Gerry Macdonald added sweet nostalgia by bringing pictures of his era at BCS. To top it all, we celebrated two birthdays — Helen MacKinnon's and Headmaster, David Cruickshank's.

Another unexpected pleasure was the arrival of Shirley Erskine Westcott all the way from California! Other guests were Judy Morrell Devitt and her husband Jim, Valerie's husband Bob Heidell, Brad Mitchell, Belle Ballantyne and her brothers Evan and Tim, Barbara Robb Thomson and her husband, Doug and Lois Taylor, Peter and Jan Smith, Andy Wojatsek, Gerry Macdonald's wife, Pat, Robert, Doug and Pam McCarter, Nick Miller, John De Paul, Annalee and Walter Raza.

Tremendous thanks go to Ralph and Jean Kazi for an unforgettable visit to New York and a magnificent gathering.

Ralph and Jean Kazi examine vintage KHC notepad, presented to Jean as a token of our appreciation.

MONTREAL ANNUAL MEETING

A night to remember! At a reception and dinner at the St. James's Club more than a hundred alumni gathered to see a great slide presentation with music, created and presented by BCS faculty member, Steve MacKnish as well as to participate in a mini-auction.

Items for auction were donated by Colin McLernon, Pam McLernon, Michael Drummond, Jim Kenny, Peter

Steve MacKnish seen here with students John Martin and Paul Huband assisting with slide presentation.

Dunn, Gail London, Sara Peck Colby, Dennis Tear, Hartland Price, Domaine St Laurent, Willa Black, Hugh Hallward and Danny Lalonde. Bizzy Angus Eberts arranged floral arrangements which also were auctioned. Total receipts from the auction were \$3,000.00. Our heartfelt thanks go to these donors as well as our enthusiastic purchasers.

Some of those who were there to enjoy the fun were; Margot and Hugh Kyle, Jim, Mat and Michael Kenny, Eric Hickey, John and Tony Newman, Okill Stewart, Bill O'Brien, Heather Wootton, Joe Donato, Gail London, Debbie Preseau, Gaston Jorré, Bonnie Bernier, Stephanie Kaneb, Terry and Joan Mitchell, Karma Price, Mark Johnson, Athol Gordon, Stuart Mac-tavish, Barbara and Jim Brodeur, Harvy Simkovits, Philip Anido, David Anido, Francie Montgomery, Sue McArthur

Hartland Price seen here in his gift of evening attire with Jim Kenny '39, our indomitable auctioneer: Stars of the Night!

Laidley, Robert Morris, Sue Khan, Frances Dodds, Pam Dunn, Mike McMaster, Judith Heathcote, Bizzy Eberts, Mary Cowans, Susan and Michael Riddell, Scott Fraser, Hugh Hallward, Tim and Bev Bradley, Susan Johnson, Diana Colby, Rod and Wendy Charlebois, Lalage Hackett, Sue Armour, Pat Brodeur, Toria Cowans, Sara and Ted Colby, Tom Gillespie, Jonathan Meakens, Chris Cowans, Pam and David McLernon, Peter Saykaly, Ted Tilden and Hartland Price.

Terry Mitchell BCS '19 and his wife Joan in Montreal.

TORONTO

On May 9, 1984, alumni in Toronto gathered for a reception and dinner. This marked a change not only in place but also it was the first time that a dinner has been staged in T.O. A large number of more recent grads were there for this fine evening but we did miss some of our old friends. However two very dear old friends who did join us were masters Chris Love 1933-41 and Gordon Moffat 1936-62 as well as long-time director John Kemp BCS '36.

Mary Cape Usher-Jones deserves particular thanks for making the arrangements at Molsons as well as those on her committee who did phoning and encouraging Alumni. At the Gathering were: Crick Glass, Chris Osborne, Debbie Hornig, Bill and Barbara Loomis, Julian Wise, Mary Elizabeth Conduit, Paul and Catherine Pidcock, John Apostolides, Bill Robb, Jennifer Dattels, Janet Partridge, David Baillie, Tom Rogers, Bill Sharp, Millar Ayre, John and Rosemary Lindsay, Will Stenason, Michael McGee, Mike and Liz Skutezky, Dodi Hornig, Doug Langley, Tom Pick, Janet Neilson, Faith Hallward, Tom Goodenough, Himal Mathew, Neil Cunningham, Robert Cruickshank, Doug Mitchell, Tim Moseley, Craig Fields, Louise Charbon-

neau, David Murphy, Christine Hill, Ian Graham, Sheila Bovaird, Birks Bovaird, Annabel Hallward, Kevin Mackinnon, David Creighton, Geoff Scott, Chris Bovaird, Mark Hantho, Peter MacKenzie, Susan Sourial, Kathy McGee, Caroline Noyes Roberts, Barbara Howatson, Graham Hallward, Heather and Grant Frawley, John Hallward, Craig and Denise Bishop, Kellianne Hurst, Dianne deJong, Sophie Brinkman, Gillian Smith, Ken Paton, David Rankin, Bart MacDougall, Mary and Peter White, Heather Mackinnon and Tim Bovaird.

HOCKEY NIGHT IN LENNOXVILLE

Saturday, March 10, 1984

On this date the challenge match between the I.H.A. All Stars and the Old Boys was scheduled. Old Boy Marc Bibeau set the style of the game early as he scored on a beautiful pass play with Alain Gilmore and Serge St-Jean. The School kept the score close for the first ten minutes of the game but tradition and old age took over and the Old Boys won the game with a score of 13-3. The young Danny O'Connor played well in nets for the Old Boys.

PARTICIPANTS: James Macdonald
Alain Gilmore
Marc Bibeau
Don Johnston
Serge St-Jean
Murray Nadeau
Tim Bradley
Cliff Goodwin
Ann Perrier
Chris Hawketts

With the preliminary game out of the way, it was time for the First Team to hit the ice and get the School back some of its lost prestige. This was the last chance for many of the students to wear the School colors. Emotions were high.

It was an up and down affair with School goaler John Bunge and Old Boys' Dave Jones keeping the Teams off the score sheets. Finally, at the 17:26 mark of the first period, Chris Moseley opened the scoring on a pass from Fritz Maugile. Not to be out done, the Old Boys tied the score one minute later on a beautiful play with Brian Bell connecting on a pass from Greg Boyd. From the ensuing face-off School Captain Dumas Maugile scored on a set-up from his brother Fritz. The School from then

on never looked back. The intensity and drive which they had exhibited all year came together and lasted throughout the entire game. Old Boy, Brian Bell collected a hat trick on set-ups by Greg Boyd. The School showed that they were able to keep up with the quick skating Alumni. It was a very enjoyable game to watch. Even the rough house tactics of Sean Pinck did not phase the School from playing their disciplined, hustling game. School goals were scored by Chris Moseley (2), Craig Horton (2), Owen Hines (1), Dumas Maugile (1), and John Dooling for a final score of 7 — 3.

The Old Boys Team was comprised of Greg Boyd, Marc Bibeau, Fred Kaneb, Bill Scott, Peter Bishop, Michael Laframboise, Marc Panet Raymond, Tim Bradley, Brian Bell, Sean Pinck, Bill Price, Don Johnston, Jamie Hibbard and Alain Gilmore. Goaltenders were Dave Jones and Ian Graham.

Hi-Lites:

Don Johnston, knowing that he was still a threat on the ice, had his father here to witness his prowess.

Tim Bradley celebrated his fifteenth straight year playing as an Old Boy.

Fred Kaneb and Bill Price are talking about the Alumni golf game which will become a reality this year.

David Jones and Ian Graham were playing goals better than when they were at BCS Like good wine they improve with age.

Two former BCS Goalers, Marc Panet Raymond and Bill Scott, looked impressive playing as forwards.

Peter Bishop is still as smooth as ever . . . on the ice.

Jamie Hibbard's conditioning still has not improved.

Bibeau, St-Jean and Gilmore could not last the entire game because the preliminary game took too much out of them.

Razzle Laframboise had trouble keeping up with his line mates Bell and Boyd.

It is amazing how some things do not change!

Director of Athletics

QUEBEC '84

Dr. John B. Winder (1879-1944 BCS 1890-96), School Physician 1910-44 was featured this summer at Quebec '84 in a display showing the history of the Canadian Pacific Liner "Empress of Ireland." In addition to his inclusion in the main exhibition, his early life and family were illustrated in a special profile between June 23 and July 25.

Dr. Winder was the first surgeon appointed to the "Ireland" and he served in her from the maiden voyage in June 1906 until October 1907, completing 33 Atlantic crossings. After nearly eight years of Atlantic service, the ship was sunk in the St. Lawrence River in 1914, with over one thousand lives lost.

The display contained photographs of the ship, its officers, passengers and crew. The wheel-house was constructed full-size, using the original salvaged instruments, and other artifacts, including the ship's bell. Videotape equipment was used to show diving operations to the wreck, and interviews with survivors.

This exhibition provided the most complete story of this fine ship ever assembled. The entire project was designed by, and built under the direction of Philippe Beaudry, founder and president of the Empress of Ireland Historical Society.
